Community Reviews for this School

The school has a great environment for learning. Parent involvement in all aspects of the school is tremendous. The communication from the administration and the district is excellent. There are no concerns for safety of students. Three school resource/police officers networked with elementary, middle and high schools in close proximity. Music/ band program rated superior for 26 years in a row. Only middle school in the area rated a "5 star" school.

Too much homework and not enough done at school for multiple of the classes. Also the dress code is very harsh and impossible to obey.
