Community Reviews for this School

Bruner Middle School is probably one of the best schools I ever went to! The staff is very friendly, and the students are very welcoming. I haven't ever had an issue with the school. The school is very involved and contact your parents when there a problem. I probably learned more than I ever learned from my previous school. The school is probably one of the most diverse schools in Okaloosa county. I have met people from Canada to China to Germany. My teachers are excellent, but a few teachers I really question how they got hired, and why they're still there.
