Good school but the facilities are absolutely disgusting. The bathrooms are horrendous and there is black mold everywhere.

I have enjoyed Niceville Senior High School so far. I'm in the color guard and I love it. The instructors are nice but the right amount of strict to not make us dislike them. However, I would like to see stronger rules against vaping. I feel as though the students who still vape don't really know what it could do to your body.

Niceville high school has been a wonderful high school. I had many great teachers and I became very comfortable after moving to a new city like Niceville from Germany. I found new friends, and they were all welcoming. It has been a great experience and I learned a lot of college readiness. All the football games were fun and exciting and being a small town, everyone in the town would come for those Friday Night Lights. Football was a big deal in our county. We have a tradition during half-time after the drum line plays we have silly strings and go Crazy! Overall it has been a fun, unforgettable 4 years with all the teachers and friends!

By far the most spirited and exciting school! The principal is very involved and aims to help us achieve! He is dedicated and driven to make our school the best, brightest, safest, and overall the most fun! Another great aspect of NHS is the arts. The band traveled to the Rose Bowl to march in the Rose Parade aftering being invited in 2016. The chorus program has earned many awards and frequently travels internationally. There are clubs to suit every interest! We have the Anime Club, Stand-Up Paddle Boarding Club, Psychology Club, National Organization for Women NOW Chapter, Smash Bros Club, Harry Potter Club, Ultimate Frisbee, Film Club, Fellowship of Christian Athletes, and GSA Gay-Straight Alliance . We have everything from football to volleyball, cross country to golf, and even flag football!! Also come to football games every Friday night in the fall! We also are very famous for our 3rd quarter tradition....SILLY STRING!
