About this data: Facts and proficiency scores are provided by Niche, which compiles scores, community reviews and other data about schools across the United States. Ratings for this school are based on the most recent available facts for each school and district. Data compiled from the U.S. Department of Education, Private School Universe Survey, Common Core Data and others. Source: Niche Update Frequency: Quarterly

Community Reviews for this School

Posted: 3/23/2017 by Parent

This is a very good school. I have had five children attend at different times and they have excelled at math, science, English, and music. Each year the children learn a different instrument. The math program encourages children to leap ahead of others at their own speed. The library has a good variety of books to read for each grade level and the school has plenty of functions to keep kids busy after school hours.
